12th July 2010

Dear Parent/Carer

World Challenge Compact expedition to Mt Toubkal, Morocco - 8 days on July 31st, 2011

The school have decided to launch an expedition with World Challenge, a company which organises life-changing expeditions around the world for young people.

As a school we are very excited about the opportunity this will give students to do something really unique that will make them stand out from the crowd. The expedition experience will provide them with a wealth of new skills which they will find invaluable in school, at university and in the world of work.

The cost is **£795** for eight days including flights, accommodation and food. As part of the experience, students are actively encouraged to raise funds through a variety of activities throughout the year. All funds raised will go towards reducing the cost of the trip.

At the moment, I am investigating if there is sufficient interest from students, and parent/carers to go ahead with this exciting initiative. Therefore, if you are interested in your son/daughter finding out more about the expedition then please could you complete and return the reply slip below. If there is sufficient interest then I will send out details about the information meeting, which will be held on 8th September 6.30-7.30pm.

I hope you are able support your son/daughter in taking part in this event and help to get our expedition off the ground. In the meantime, if you have any questions then please do not hesitate to contact me.

Yours faithfully

Bryan Erwin
Vice Principal
