

YEAR 8 NEWSLETTER

For many of us **Easter** is significant for the ultimate sacrifice made, the crucifixion of Jesus Christ and his holy resurrection. Sometimes this significant religious event gets drowned out by easter eggs, chocolate, and the latest block buster movie release. Christians use this time to reflect the ultimate sacrifice given and the message that is similar in many religions of care, thought and respect to all.

Alongside Easter, is the coincidence of the month of **Ramadan**. It is a holy Islamic event whereby Muslims fast every day between sunset and sunrise. This will take place at the start of April. Throughout the month Muslims dedicate their time and themselves to God - giving to charity, praying, and fasting. For many, it is also a time of personal reflection.

It is certainly a time of significance and common belief.

On another note, time certainly goes by quickly and another term will be successfully completed on **Friday 1 April (at 3.15pm)**.

The school will re-open on **Wednesday 20 April**, with two weeks until the formal examinations begin for Years 11-13.

I wish to thank you for your support over the last term and I hope that you all have some family time together.

Mr Erwin
Principal

Welcome to the **Year 8** newsletter!

These past couple of weeks have been a very challenging and important time for our Year 8 students.

All have completed their **Pathways interviews** and made their GCSE choices. It was wonderful to hear from Mr. Erwin and Mrs. Ayre how polite and well-mannered our students were during the whole process. This just confirms that Year 8 are indeed a fantastic cohort of students!

Back in January, two of our students, Charlotte Pennell, Taylor Knighton, and myself were invited to visit **Peterborough Cathedral** to celebrate the **Katherine of Aragon Festival 2022!** Charlotte and Taylor represented Ken Stimpson Community School, and presented a reading of Katherine of Aragon's last letter to Henry VIII. The girls read in front of many dignitaries from Spain and religious leaders. Several schools were present, all playing a part in the festival. Charlotte and Taylor managed this nerve-racking experience without any problems and were a credit to Ken Stimpson Community school!

In other news, the **Year 8 girls netball team** have been playing some fantastic netball, having won all of their tournaments against all the local schools.

Have a very **Happy Easter** everyone! Let's hope the weather is kind to us, allowing us to really enjoy some fine weather!

Mrs Searle, Head of Year 8.

SCIENCE WEEK

Science Week was

thoroughly enjoyed by all, as you can see in the pictures above! Lots of chicks were hatched just in time for Easter which was a highlight - it really is amazing at how quickly this happens!

KEN STIMPSON COMMUNITY SCHOOL

Aspire for Excellence and Integrity to gain Success

Principal: Mr B. Erwin | Chair of Governors: Mr T. French

10 HOURS OF SPORT 10 HOURS OF SUPPORT

10 Hours of Sport is, of course, more than just 10 Hours of Sport. **The Malcolm Whales Foundation 10 Hours of Sport** is many things: 10 hours of fun; 10 hours of fitness; 10 hours of fund raising; 10 hours of friendship; 10 hours of doing something different; 10 hours of feeling good about yourself and those around you. In every sense of the word, it is more like 10 hours of support. The 10 hours of sport at Ken Stimpson Community School happened to coincide with the loveliest day of the year so far. The doors of the sports hall were wide open, the sky was azure blue, and the bright sun lifted the mood of the 200 students taking part on the day. Netball, basketball, football, table tennis, trampolining, badminton, dodgeball: each area inside and out buzzed with enthusiasm and enjoyment. For hundreds of students, I don't think there's anywhere else they would rather have been on that day. And for some of them, I wouldn't mind betting that they'd get up the next day and do it all over again! What a great advert for the **TMWF Dorset Walk** taking place in July! A chance for younger students who can't go this year to look forward to the next. Members of staff and older students who popped into the sports hall were wearing an assortment of TMWF t-shirts from previous years which helped to promote a sense of shared purpose and group identity - the mainstay of any charitable organisation. It's wonderful that so many young people can aspire to a pursuit that is essentially so selfless and yet so self-helping. School can mean lots of different things for lots of different students at the same time. One way of looking at the 10 hours of sport is simply this: that for one day in the year, it can unify so many people in such a harmonious and joyful way. I for one certainly went home on Friday feeling uplifted and, if I'm honest, a little overwhelmed with happiness.

Mr Billson, English Faculty.
