Dear Parent/Carer

Post 16 Progress Evening – Tuesday 26 September 2017

At Ken Stimpson we are proud of the fantastic levels of support parents offer their children and our school. Post 16 Progress Evening provides the school and parents/carers with an excellent opportunity to be able to work in collaboration to ensure that your son/daughter gets the best possible education and opportunities in their school life.

We know you are really busy but a couple of hours of your time is so important and we are confident that your son/daughter will reap the benefits of this support. In the past we have found where parents have not attended and supported their son/daughter vital information and tips for improvement have been missed.

The Post 16 Progress Evening is on **Tuesday 26 September 2017 between 4pm and 7pm** and will take place in Block 3 opposite the Assembly Hall. This will be an opportunity for you, along with your son/daughter, to meet with subject staff and review their progress as they embark on their new AS/A-Level/Vocational courses. Bookings for the Progress Evening are made using an online system. Please go to www.kscs.parenteveningsystem.co.uk or scan the QR code, then enter your name and son/daughter's details to login and arrange your appointments. You'll see which appointment slots are free and be able to arrange your appointments. If you've any issues you can email subjectevening@kscs.org.uk for assistance.

In addition, should you wish to use this service, our Ken Stimpson Community School transport can be provided. Please contact us via telephone if you would like to benefit from this service.

I hope you will take this opportunity to meet with your son/daughter's subject teachers to enable him/her to make further progress with our mutual support it is also vital that your son/daughter attends, even if you are personally unable to do so.

It will be great to see you there to support your son/daughter's education.

Yours faithfully

Mr Walls
