Dear Parent/Carer

Tutor Consultation – Tuesday 19 September 4pm – 7pm

At Ken Stimpson we are proud of the fantastic levels of support parents offer their children and our school. Tutor consultation provides the school and parents/carers with an excellent opportunity to meet your son/daughter's Tutor and to ensure you establish a strong relationship with us. For parents of students in Post16 there is a dedicated Post16 evening on 26 September. We appreciate that you may wish to prioritise the subject evening over the Tutor Consultation meeting.

We know you are really busy but just up to 10 minutes of your time can make a huge impact and we are confident that your child will reap the benefits of this support. In the past we have found where parents have not attended vital information and tips for improvement have been missed. We would also urge that you encourage your child to come along with you.

Please go to kscs.parentseveningsystem.co.uk , then enter your name and child's details to login and arrange your appointment. You will see which appointment slots are free and be able to arrange your appointment. If you have any issues you can email subjectevening@kscs.org.uk for assistance.

I hope you will take this opportunity to meet with your child's tutor and enable him/her to make further progress with our mutual support.

It will be great to see you there to support your child's education.

Yours faithfully

Bryan Erwin
Principal
