## PP report reviews

Review of local school's PP actions – Sept 2020

IDEA	ACTION	KSCS ✓ = Already implemented at KSCS * = To try at KSCS
Higher order literacy and numeracy skills	Departments to identify what skills will be pushed within the context of each subject and year group. To identify how to address fluency in basic literacy and numeracy skills, alongside teaching the appropriate content of each subject and year group.	✓
Smaller class sizes	Smaller class sizes to support accelerated progress, increase intervention opportunities and improve teacher continuity. 7 instead of 6 groups in KS4 in core subjects where possible.	*
Nurture and breakout groups	Nurture and Breakthrough groups in year 7 are formed to support LPA students transition into secondary education.	✓
Forest School	Forest School is run as part of the Nurture and Breakthrough groups.	✓
Training of staff CPD	SLT and core subject CALS are encouraged to attend Pixl training, ensuring cutting edge teaching and intervention methods are introduced to the classroom and identified students receive support. Use of Pupil Premium 'Pathways' to ensure these students are supported.	✓
Study materials	Revision books and study materials provided.	✓
Bedrock	All students in year 7 and 8 to undertake Bedrock for one English lesson per week, in order to address the low literacy levels many students have on entry, especially with vocabulary development. <a href="https://bedrocklearning.org/">https://bedrocklearning.org/</a>	✓
Good attendance at revision sessions	Students receive after school subject support and mentoring against targets from relevant subject areas, to ensure that those whose progress slows can keep up with their peers.	✓
External partners and year 12 peer mentors to support student engagement	Subject revision/study sessions used to support engagement and resilience. Students receive 1-1 support and mentoring against targets, to ensure those whose progress slows keeps up with peers.	To try after Covid
Targeted PP students with ICT support	Opportunities for precise and bespoke coaching, 1-1 via ICT and support with revision practice and homework.	*
Improve staff SEND expertise	Appointment of new SENDCO in Jan 2019. Work to support pupils being in classrooms as much as possible.	✓
Fluency programmes, supported outside of lessons	Use of proven catch up and fluency programs alongside everyday lessons, especially and including ICT based ones.	*
Saturday revision sessions	Revision and coursework classes run periodically on Saturday mornings and timetabled evenings across the year.	No, but to consider in future
Motivational activities for PP students, ie tennis, golf	Plan for extra-curricular activities, such as Wimbledon, D of E and x8 weeks of rowing/golf/tennis.	To try after Covid
Work Experience placement for all	All PP students supported to attend a 2 week Work Experience Placement in year 10 to provide them with experience of work and improve motivation.	To try after Covid
Improved attendance	Make comparisons across time, ask questions of trends. Work with SSO, HOH and LA to monitor and act if attendance falls below targets. Use £25 restaurant vouchers as incentives to improve	✓

	persistent absence and U codes. Focus on PP/disadvantaged students.	
Funding to support learning and attendance, ie, day trips, uniform	Provide funding for a £25 uniform bursary, day trips, a novel for each child at Christmas, 2 for year 6 transition.	Funding when needed
Funding for music	GCSE Music students funded to attend peripatetic music and singing lessons weekly to ensure good outcomes at GCSE. Also include CiC who would also like to attend music/singing lessons.	To try after Covid
Period poverty	To support improved attendance of targeted disadvantaged students. Eradicate period poverty by supplying necessary items for girls who remain at home during these times, therefore affecting their attendance and attainment as a result.	✓
Online resources, Doodle, GCSE Pod	Purchase online revision and study resources, such as Doodle and GCSE Pod in order to extend homework opportunities. Ensure ipads and laptops can be borrowed for study use.	✓
Emotional Support	Employ a CP officer for 4 days a week from Sept 2019, to work with vulnerable students. This would be an increase from 3 days.	✓
Triple P Parenting course	Run the Triple P parenting intervention. Train school staff to run it, so that outside agencies do not have to be relied upon. School counsellor now 4 days.	*
Support emotional and wellbeing Families First Award	Use the audit facility of the Families First Award to assess the school's strengths when dealing with parents and areas there needs to be intervention.	✓
Targeted support for pathways to HE	Provide targeted support to secure pathways for PP. Provide opportunities to visit bodies such as universities and FE related schemes.	✓
Tracking and attainment	Embed and improve data systems. Create systematic layers of scrutiny. Effectively involve leaders at all levels. Influence staff and their choices of pedagogy in order to improve the progress of PP pupils and close gaps on national results.	✓
